**THE NEW YORK LATIN LEAFLET**

EASTERN DISTRICT HIGH SCHOOL, BROOKLYN

**Editor:** ERNST RIESS, DeWitt High School, Manhattan  
**Manager:** DAVID H HOLMES, E D High School, Brooklyn

Published weekly during the school year by an Editorial Committee of classical teachers from the high schools in New York City.

The entire expense of publication is met by the advertisements, so that every penny of every subscription goes into the Scholarship Fund. The subscription price is 25 cents a year. The advertising rates are twenty-five (\$25) dollars an inch a year.

All communications concerning *The Leaflet* should be addressed to *The Latin Leaflet*, Eastern District High School, Driggs Ave and So 3d St, Brooklyn. Subscriptions to *The Leaflet* should be sent to the same address. Communications requiring answers should contain return postage.

The treasurer is E W Harter, Erasmus Hall High School, Brooklyn, to whom checks made payable to *The Scholarship Fund* should be sent.

The internal purpose of this publication is to provide a Clearing House for secondary classical teachers in New York and vicinity or anywhere else; to afford an opportunity to younger classical scholars anywhere for the publication of their more modest endeavors along the line of original work, which might not otherwise see the light; to stimulate the teaching and quicken the student activity in the classical work in the high schools of Greater New York. The external purpose is to establish one or more College-entrance-scholarships for the most successful graduates from high schools in New York City, to be awarded on a competitive examination. The proceeds over and above expenses will be devoted to a scholarship fund. The labor involved is a labor of love.

THIS \*book is a good example of the tendency to omit from beginning books in the ancient languages, everything not absolutely essential to the pupil's mastery of the elements of the new language. Among recent attempts to make the first year's work in Latin as free from difficulty as is consistent with thoroughness this book is to be ranked high. Throughout the book, evidence is seen that the authors are teachers with a clear appreciation of the pupil's point of view.—*Journal of Pedagogy.*

## Why Knapp's Vergil Has Been So Successful

1. It gives an introduction on Vergil's life and times, the mythology and history of Rome, the syntax and versification of the Aeneid (106 pages) that is invaluable to both teachers and students. (Some teachers have wished to supply their classes with this Introduction even where another text had been regularly adopted.)
2. The long vowels are marked throughout the text.
3. The notes are practical, helping the student to understand the Latin and appreciate the poem.
4. The Index makes available to both teacher and student at every moment all the material of the Introduction, the notes and the text.
5. The maps and illustrations illuminate the text.
6. A separate text is supplied free for the recitation room.

12mo., half leather, 12 full-page engravings, large map, 767 pages. Price \$1.40
